ENVIRONMENTAL POLICY STATEMENT

John O'Sullivan seeks to achieve excellence in all aspects of his business, and is committed to minimising his environmental impact whilst conducting his business operations.

To achieve the aims of his Environmental Policy, John O'Sullivan will:

- Reduce the consumption of all resources and improve efficiencies wherever possible.
- Manage waste generated from his business operations according to the three essential principles of: **1. Reduction 2. Re-use 3. Recycling.**
- Manage his business operations to prevent pollution.
- Ensure that environmental criteria are taken into account in the procurement of all goods and services.
- Comply with all relevant environmental legislation as well as other environmental requirements.
- Communicate (internally and externally) his Environmental Policy and performance, and encourage feedback.
- Communicate the importance of environmental issues to all his employees.
- Work together with clients, stakeholders, supply chain partners and contractors to encourage a joint-commitment toward improved environmental performance.
- Review his Environmental Policy regularly.
